Mr. Rene Gagnon
President
CASP Aerospace Inc.
98 Columbus Street
Pointe Claire, Quebec, CN H9R 4K4

Dear Mr. Gagnon:

The Office of Approvals has reviewed your application for renewal of your registration as a cylinder re-qualification facility at the recommendation of Steigerwalt Associates and reissues registration number **D069** to your facility at 98 Columbus Street, Pointe Claire, Quebec, CN. This number applies to this location only and is valid for a period of five years from this date based upon maintenance of equipment and personnel capability.

In addition to the re-qualification of cylinders under the provisions of Section 173.34 of Title 49, Code of Federal Regulations, 49 CFR, the following conditions must be met:

1. You must notify this office of any change in address, management, equipment or testing personnel within twenty days of the change.
2. Testing must be performed by, or in the presence of, a designated hydrostatic test operator who has been observed by the Independent Inspection Agency or who has been added to your file by addition under condition number one (1) above.
3. A copy of this registration must be maintained adjacent to the testing apparatus.
4. A copy of your application, all supporting documentation and a copy of this approval must be retained and made available to DOT upon request.

Sincerely,

Donald E. Hilts
Transportation Specialist, Approvals
